Dancing Talent Displayed At Tip Top Revue

Jack Taylor's Tip Top Revue of 1955 played to an appreciative audience at the Armouries Monday evening. The members of his Vulcan tap dancing class were augmented by artists from Calgary and other points, providing excellent entertainment.

Opening number was an advanced waltz clog by Lynne Richardson, followed by Larry Helland in the 42nd Street tap.

The talented Linda Gay Flittton danced an intricate routine, accompanied by her father, Ray Flittton, on his guitar. A rhythm dance by little Terry Heather was followed by guest artists Mida Lee Schlosser of Staveland and Ted Strang of Claresholm in a novelty suitcase dance.

A soft shoe dance by Laverne Andrews and fast tap by Brenda Christensen were well received. A quartet of Calgary artists—banjoists Eddie Nutkins and Eddie Owsen and guitarists Lon Gardner and Jack Canoon—played a medley of well known numbers that proved popular with the audience.

An intricate rhythm dance by Jackie Summers of Calgary was followed by a wing time-step routine by Denee Gooch and an intricate tap dance by Helen Richardson.

Sharon Long of Claresholm was featured in a soft show routine and little Sherry Geschwendt did a rhythm tap.

The versatile Linda Gay Flittton with her electric ukelele and Ray Flittton with his electric guitar played and sang a selection of three numbers.

Myrna Marks with a fast tap and Patricia Christensen with an advanced rhythm tap were followed by Francis Chilton of Claresholm and Howard Schlosser of Staveland in a novelty soft shoe dance.

Jac Friedenburg, the show's popular accompanist, entertained with piano selections that proved very popular.

The next three numbers featured Colleen and Russel Coe in a wing time step routine, Hazel Doe and her guitar and Denee Gooch and her daughter Diane in an advanced rhythm dance. Jacqueline Degenstein's rhythm dance and Linda Hubka's wing time step routine were next on the program. Elmer Haywire (Jack Taylor) was well applauded for his solo number and Mida Lee Schlosser and Ted Strang made their second appearance in a novelty boogie-woogie number.

Helen Richardson in a soft shoe dance, Freddie Andrews and his electric guitar and Linda Gay Flittton in a suitcase dance provided good entertainment and the popular Swinging Strings Quartet reappeared with another medley of tunes.

The family talent was displayed by Jack Taylor and his daughter Roberta in a soft shoe dance, followed by Sharon Long, Mida Lee Schlosser, Francis Chilton, Howard Schlosser and Ted Strang in a wing time step routine.

Fresno College Ball Players On Elks Team

Five players from Fresno State College in California form the backbone of the Vulcan Elks baseball team this season.

Playing his second season with the Elks is left-hander Jack Altman, who carried the load for the Elks last year when they ended the season at the top of the Foothills Wheatbelt-league, although losing to Granum in the play-offs.

Sharing mound duties with him this year are right-handed pitchers Jerry Burcher and Greg Senstrom. Catcher is Dick Buggs and Marty Norman is shortstop. A utility player from Calgary, Scott, is also a member of the team and will be used in most Sunday games and tournaments.

Homebrew players back with the team are first baseman Don Jantzie, second baseman Mike Jantzie, third-sacker Jim Prudden and outfielders Ken Gatenby and Clayton Clarkson. Clarkson is now recovering from a tumor operation and will be able to play in a few weeks time.

Several younger players are being developed, including Burley from Brant, Ken Jesse of Vulcan, both of whom show considerable promise. Ken Loucks is again team manager.

Milo Grade 12 Graduates Are Honored At Banquet-Dance

The graduating class of the Milo Central School was honored at its annual graduation banquet, and ball, on Friday, June 3, with place settings for 150 in the school auditorium.

A huge flowered plaque, especially made in honor of the Jubilee graduation, hung on one wall, flanked by profile portrait cutouts depicting each individual graduate.

Gay colored streamers and balloons completed the decorations for the auditorium. Cut flowers were beautifully arranged on the dining tables. The Grade Nine class served the banquet. The banquet began with Mr. Evan Beechman giving the invocation. Following dinner, Student Union President, Bob McCord acting as toastmaster for the evening, proposed the toast to the Queen. The toast to the School was given by Mrs. Don McCord, when she asked the students to take advantage of opportunities offered today and in the future within the school. In response, Eva Jacobson thanked the Home and School for their help and congratulated the graduates. Murray Phillips presented the toast to the staff, making comment on how lucky they were not only as graduates, but as a student body, in having the finest staff in Milo school history. Mr. Philip Husby, vice-principal, answered this toast, thanking the graduates for their response and submission to class studies, making teaching pleasant and not a task at all times.

The toast to the parents was proposed by Maureen Robertson. She thanked the parents for all the opportunities granted them, for their understanding, and for their love and she spoke on the debt that is owed to parents for all they have done. Response was given by Mr. Lawrence Phillips. He thanked Maureen for her kind words, and

Beat Lethbridge Twice

Elks Lose One, Win Two In League Play

Opening of the Foothills-Wheatbelt baseball league schedule saw Vulcan Elks drop their first game of the season when Picture Butte Indians came out on top of a 2-1 score in ten innings of play. The Elks made a strong come-back on Sunday when they whipped Lethbridge Miners in both games of a double-header at Vulcan.

The Wednesday game was strictly a pitchers' duel as Altman for Vulcan and Leonard for Picture Butte both pitched six-hit ball. Altman had six strikeouts and Leonard five. Buggs was behind the plate for Vulcan and Rice for the Indians. A large opening-day crowd was in attendance.

Perfect weather prevailed for Sunday's double-header against Lethbridge and, in winning both games, Vulcan tied with Granum for first place in the league standings.

Right-hander Jerry Burcher went all the way for the Elks in the first game, allowing 14 hits and fanning nine. Behind in the eighth inning, Elks came up with a three-run rally to win the game by an 8-6 score. Jack Altman, the stylish California left-hander playing his second season for Vulcan, was never in trouble in the second game, which the Elks won easily by a 13-3 score.

In the first game, Larry Friemuth started on the hill for the Miners with George Vaselenak coming in to relieve in the sixth and going the rest of the way. Between the two of them they were picked for 11 hits.

Miners out-hit the Elks 14-11 but couldn't make their blows pay off with enough runs for victory. Johnny Vaselenak, Mitch Sataba and Vic Stasuk all slammed home runs over the left field wall for the miners with Vaselenak clouting his with one mate aboard. The sacks were empty when the other two roundtrippers were smacked by Stasuk and Sataba. All three added singles while playing-manager Clarence Yanoski collected three singles.

California-import catcher Dick Buggs cracked out three singles for Elks with shortstop Marty Norman, another Californian, picking up two singles. Mike Jantzie belted a one-run triple.

Elks won the game in the bottom of the eighth frame when Jim Prudden singled, Jantzie sacrificed him to second, Burcher walked, Norman walked, Jack Altman singled and then Buggs poked out a single to round out the game-winning, three-run rally.

Altman, the California lefty who pitched for Vulcan last year, checked the Miners on nine hits in the second game while his mates supported him with a 13-hit attack which netted 13 runs. Altman fanned five. Johnny Koskoski started for Miners but was shelved in the third frame when Elks poured across five runs. Stu Henderson came on to relieve in the third with Roy Davis being summoned before the inning was over and going the rest of the way.

Norman was the big gun for the Elks in the second encounter with two home runs over the fence and a pair of one-base blows. Pete Scott was good for two singles and a double while Don Jantzie contributed three singles to the 13-hit attack.

Les Colwill was best for the Miners, winners of their first game of the season over Granum, with two singles and a double. Yanoski added a double.

Will Reside At Lethbridge

Prior to her departure for Lethbridge, where she and her husband will make their home in the future, Mrs. George Murray was honored on two occasions last week.

On Wednesday evening ladies of St. Aldhelm's Guild entertained a number of friends at the home of Mrs. Pete Schuler. A very enjoyable social evening was spent and the guest of honor was presented with china cups and saucers as a going-away gift. A delicious lunch was served by the ladies of the Guild. Mrs. Murray, who has been a faithful member of Guild for many years thanked her friends for their good wishes and thoughtfulness.

Mrs. B. Banks, assisted with entertainment and lunch by the ladies present, entertained some 18 guests on Thursday evening, in honor of Mrs. Murray. In view of the fact that many of those present were members of the Ladies Curling Club some of the games and contests used this theme. The "best athletes" were chosen and the "Brier team" selected. COMPETITION IS TOUGH!

Competition is tough in the oil business, too. While we believe Imperial is the **best** oil company in Canada, it's far from the only one. We're beset on all sides by healthy competitors.

From the Maritimes to British Columbia more than 240 companies are competing in the **search** for crude oil.

In 45 refineries from Halifax to Vancouver, 24 companies **refine** this crude oil into hundreds of useful oil products.

In all of Canada, scores of **marketing** companies compete for the motorist's and home owner's dollar.

In all its operations from coast to coast, Imperial Oil faces **competition** which is vigorous and resourceful, benefiting both the industry and the consumer.

READ COMPLETE GUARANTEE ON EVERY CAN

Through the blending of new and improved oils and pigments Marshall - Wells' chemists have achieved completeness of paint protection never before known! Five years of rigid home testing combined

with speeded-up weathering tests in the laboratory proved the five big advantages of "Formula 5".

The most severe test for any paint is on new wood. Here "Formula 5" seals wood pores to provide its own best undercoat; and offers 100% blister-proof protection, bonding so tight that no moisture can make it blister. The same revolutionary qualities that make "Formula 5" blister-proof on new, unpainted wood

also make it the most blister-resistant paint you can apply to previously painted wood. Furthermore, "Formula 5" will not stain from nails or other metal rust and will not discolor from sulfurous fumes even in smog-filled air.

On your new home or re-paint job use new Marshall-Wells' "Formula 5". Once you see its sharper, cleaner white tones and rich colors—you'll never again use a conventional paint.

A quiet wedding was solemnized in the chapel of Central United Church in Calgary, on June 3rd, when Dora, fifth daughter of Mr. and Mrs. Harold Tindall, exchanged marriage vows with Leith Allen, only son of the late William Schmeelke and Mrs. Schmeelke, all of Champion. Rev. G. B. Switzer, PhD

performed the ceremony.

The bride was beautifully gown-ed in white nylon lace and net over satin. The gown, waltz length, was styled with a sleeveless bodice and her waist length nylon lace jacket featured long sleeves. Her veil was chapel length and she carried a bouquet of red roses. Her only jewel was a three strand pearl necklace. Her matron of honor, Mrs. Dora Ruggles wore a gown of aqua nylon net over taffeta. She carried a bouquet of pink roses and white carnations. The bride's sister, Joyce, was the bridesmaid. She wore a waltz length gown fashioned of pink nylon net over taffeta. She carried a bouquet of yellow roses and white carnations. The groom was attended by Dora Ruggles.

Those attending the wedding were Mrs. Schmeelke, the groom's mother of Champion; the bride's grandmother, Mrs. Fanny Tindall, her aunt, Mrs. H. Anderson, her two cousins, Donna and Doreen Anderson and her sister, Mrs. G. M. Olds, all of Calgary.

After a short honeymoon, Mr. and Mrs. Schmeelke will make their home on the groom's farm, east of Champion.

"STEERING WHEEL FARMING" Gives Agriculture a Brighter Look

Great changes have taken place in farming in recent years—changes that have brought new concepts of crop production and animal husbandry; soil and moisture conservation; management and marketing.

Symbol of one of the major changes in farming operations is the steering wheel. It stands for power—power that has been made available through tractors and machines to do practically every job on the farm; power that has given agriculture its greatest lift in centuries—power that has brought

opportunities for a greater participation in higher standards of living.

In the promotion of "steering wheel farming" Massey-Harris and Ferguson have made available tractors and implements with outstanding features to apply power in the modern way. Sound, advanced engineering, high standards in materials and manufacture, thorough testing, and prompt efficient service combine to make Massey-Harris and Ferguson machines outstanding in dependability, long life and economy.

MAJORVILLE

Please note that the date of the FUA and FWUA conference is June 13th—and not 31 as reported last week.

Seeding is now completed around here and early sown grain is showing green. During May 4.90 inches of moisture was recorded in Clemmon's garden and other places report even more rain. Well, so the crop are away to a good start.

Mrs. Doug Korschuh of Crowfoot was a recent visitor at the home of Mr. and Mrs. Lawrence Smith; on her return to Crowfoot she was accompanied by her mother, Mrs. Anne Smith.

Mr. and Mrs. Bert Clemmons went to Calgary on Friday to attend the wedding of the latter's cousin.

Mr. and Mrs. Lloyd Jacobson and family of Scandia were weekend guests at the home of the latter's parents, Mr. and Mrs. George Heather. On Sunday all of them went to Cluny to visit at the home of Mr. and Mrs. Don Gordon also visiting at the Gordon's was Mrs. Damien Corbiell.

A church conference being held in Saskatoon made it necessary to call the Lutheran Ladies Aid a week previous, to enable the members to appoint two delegates. The meeting was held at the home of Mrs. Freda Prentice and there was a large turnout of members and visitors. Mrs. Jack Deltz and Mrs. Freda Prentice were elected to go to Saskatoon as the Aid doesn't usually hold a July meeting. It was decided to have the next meeting at the home of Mrs. Morseth on June 29th. Mrs. Russell Mills was assisting hostess and a lovely lunch was served.

Mr. and Mrs. Bartsch attended the 4-H Calf Club show and sale in Drumheller last Saturday.

Mr. and Mrs. Hugh Winch and Francis were Calgary visitors on Monday.

Heard of a housewife the other day who had a crew of men to feed. Among the dinner fixings the lady had sliced a cucumber and covered it with vinegar. As the dinner progressed she noticed that only a couple of the diners had taken any and hadn't ate it. Puzzled, she asked, "What's the matter with the cucumber, don't you like it?" "We like cucumbers alright, but we can't eat this one," was the only reply she got. Then it dawned on her that a day or two before she had sent the vinegar jug to town to have it filled with cleaning fluid and so-o-o-o-o-o yes, that's what the cucumber was dressed with. Was it I, no, not guilty, but if you send the vinegar jug to town for cleaning fluid see that the jug is left outside or sent to the basement. Cleaning fluid doesn't make good salad dressing.
